- Licensed growers, processor/handlers, and universities are welcome to attend.
- Meeting will be an overview of the 2023 hemp season with changes to hemp rules, requirements licensees must meet, and procedures and deadlines.
- We will also provide information on hemp budgets and tips for successful growing.
- **New growers are strongly encouraged to attend!!**
- Contact Katelyn Kesheimer at kesheimer@auburn.edu or 334-844-5072 with questions.
